PRINCIPAL’S Message:

I am extremely happy that Govt. Degree College , Porumamilla has been in the practice of various curricular, co-curricular and extra -curricular activities for the welfare of all students. Several innovative programmes and Best Practices are unique to our institution, which intends of offering value based and quality education to the students under the able guidance of APCCE, APSCHE and Y.V. University. In realization of the aim of our institution, the students are helped to grow into fine human beings who are capable to face the challenges of the present world. All the developmental activities would not have been possible without the support and cooperation of the students and the teachers. I wish the college would continue to grow in all ways in the days to come. This news letter echoes the highlights of the college activities.

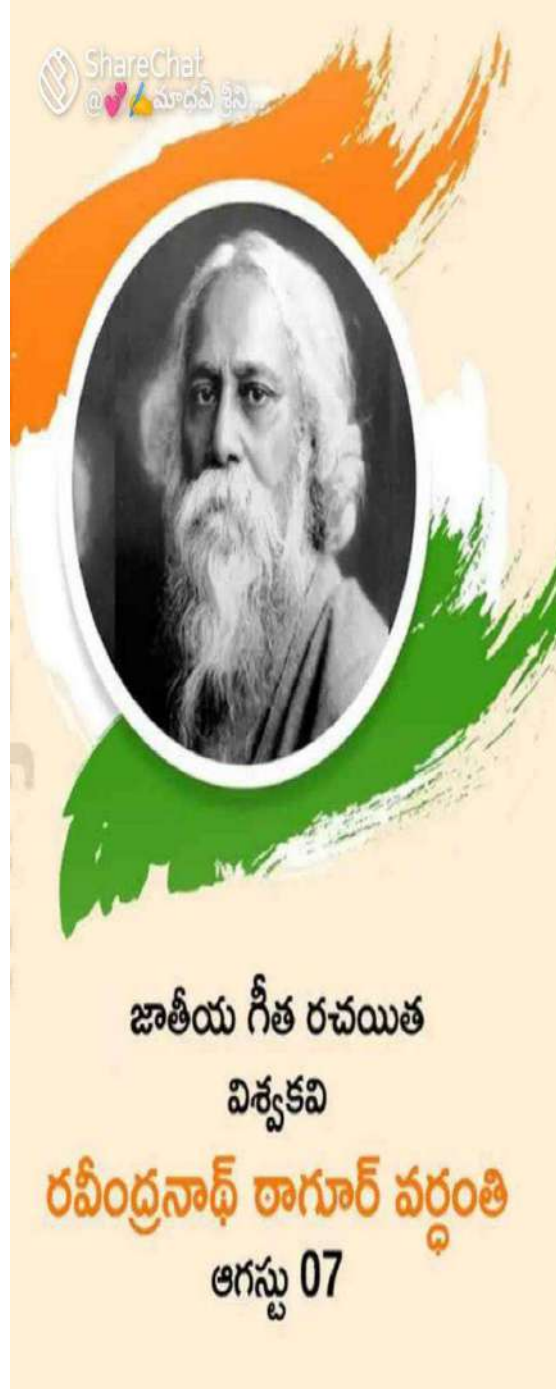

NEWS LETTER FOR THE MONTH OF AUGUST- 2023

TAXONOMICAL FIELD TRIP BY DEPT.OF BOTANY

All final year B.Sc (BZC) students had been to Jyothi Kshetram. The Head of the department Botany, Sri.T. Sreedhar Murthy and other faculty members guided them. The Educational field trips provide students with a chance to learn about a particular place or subject in a more interactive and immersive way. For instance, visiting a historical site or a museum helps students better understand the history and culture of a place. The purpose is to provide a method for identification and communication. To produce a coherent and universal system of classification. To demonstrate the evolutionary implications of plant diversity. To provide single Latin “Scientific name” for every group of plants in the world, both living and non living.
