The feedback was collected from students, parents, faculty, alumni and employers on different aspects

23. Best Practices of Institution

1. Online Examinations and Admissions Due to the COVID-19 pandemic, Educational Institutions have had to make significant changes to the manner in which student interaction is undertaken. Teaching and learning has now shifted almost entirely to either a completely Online Mode, or Blended Learning with elements combined from Online and Traditional Teaching Learning paradigms. Other student related tasks such as Admissions, Examination and Evaluation have also been shifted to online mode in order to reduce the person to person contact as well as in accordance with COVID-19 SOPs. The institution has attempted to provide students with the best possible education.
2. Eco-Club: The college Eco-Club is established to protect the environment for future generations from global warming and other environmental degradation and disasters. It continuously chalks out plans to improve the existing conditions more eco-friendly by initiating appropriate measures. The following are the activities carried by the Eco-Club: Clean and Green Programme is conducted

on the third Saturday of every month. To inculcate the concern for environmental issues among the students. To provide knowledge of environmental pollution, its causes, and its effects on plant, animal, and human life. Installed Solar energy as an alternative power source to overcome. Leaves, grass, and departmental wastages are utilized as fertilizers. 2. "MENTORING SYSTEM" • The college would like to achieve the vision of the institution – that of a life-oriented education • It also would like to improve discipline and human interaction on the campus through the mentoring system.

24. Evaluative Reports of the Departments

As per the instructions of Commissioner of Collegiate Education, the Continuous Internal Assessment is implemented by the Examination Branch so as to evaluate performance of the students in their respective examinations. As a result, this would enable the students their progression throughout their Academics.
