ACTIVITIES FOR THE YEAR 2023-2024

BABU JEGJEEVAN RAM JAYANTHI (5/4) & JYOTHI RAO PHULE JAYANTHI (11/4)

We celebrated Babu Jeevan Ram Jayanthi and Jyothi Rao Phule Jayanthi combinedly on 11/04/2023 as it was public holiday on 5th of April. Babu Jeevan Ram was a notable Indian freedom fighter, and politician who fought for the rights of the oppressed classes such as scheduled castes. He was a member of parliament of 30 years consecutively. He holds the record for being the longest- serving cabinet minister in India as Union Minister of Labour 1946-1952.

Jyothi Rao Phule was an Indian social activist, anti-caste social reformer and writer from Maharashtra. His work extended to many fields including eradication of untouchability and the caste system and for his efforts in educating women and oppressed people. All the staff members participated

AWARENESS PROGRAMME ON "HARMFUL DRUGS" (12/04/2023)

Conducted Awareness programme "on harmful drugs" by Primary Health Centre of Tekurpet with the co-ordination of IQAC, NSS Co-Ordinator's and the help of Zoology department. Now a day's all the youth running after the alcohol, smoking and different types of drugs.

Some drugs have short-term effects, while others have long-term effects. The short-term effects of drugs can include feeling happy and relaxed, having a surge of energy, becoming more talkative, and experiencing distorted perceptions. The long-term effects of drugs can be much more serious and can include addiction, heart disease, stroke, and liver damage. There are many things we can do to prevent

drug abuse and addiction. Some of these things include: Educating ourselves and our children about the risks associated with drug use
Creating healthy, positive environments that discourage drug use
Providing resources and support for people who need help with addiction and drug abuse.

We can also work to improve our communities by creating opportunities for people to be active and engaged in their neighborhoods. This can help reduce crime and social problems, and it can also provide a sense of community and connection for people who may be at risk for drug abuse.

Ultimately, it is up to each individual to make the decision not to take drug

AMBEDKAR JAYANTHI 14/04/2023

Govt.Degree college, Porumamilla commemorated the 132nd Birth anniversary of Dr.B.R Ambedkar in a glorious manner. The NSS Co-ordinator,Prakash Rao and IQAC CO-Ordinator, Dr.K. Venkatarao combinedly conducted the programme all the staff and the students took part it. The Local Forest beat officer as well as the alumni of our college Sri.Karunakar was invited as chief guest. Principal addressed the gathering and paid glorious tribute to the father of our Indian constitution.

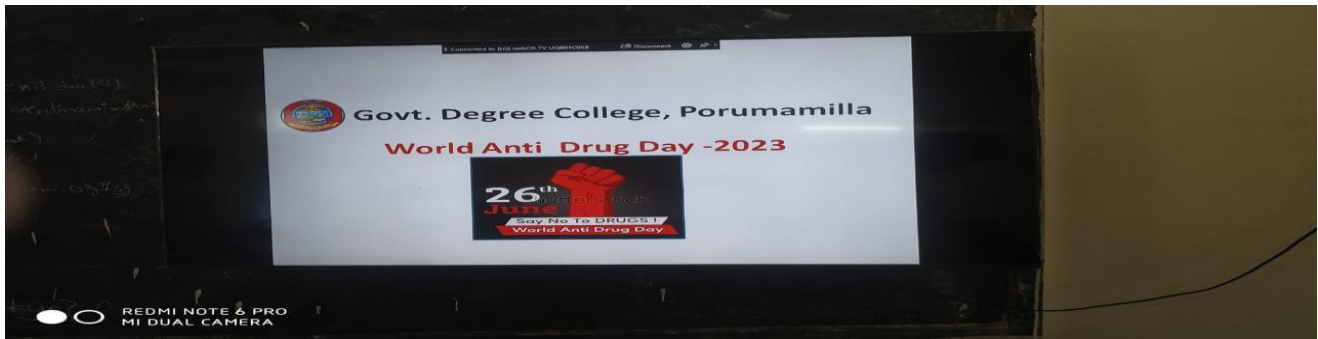

WORLD ENVIRONMENT DAY- 05/06/2023

Govt. Degree college, porumamilla observed "WORLD ENVIRONMENT DAY" at GDC-PORUMAMILLA on 05/06/2023. The NSS PROGRAMMING officer S.Prakash Rao and the Dept. of Botany conducted Cleaning the campus first and planting the plants took place. NSS Co-ordinator emphasized the importance of plantation and use of eco-friendly bags. Then we made a pledge to keep the environment clean and green. The theme is "Solution to plastic pollution" all the students were given awareness to take responsible steps to preserve and protect the healthy environment.

WORLD ANTI DRUG DAY- 26/06/2023

GDC -Porumamilla is observed "World Anti Drug Day" on 27/06/2023 which is marked on 26/06/2023 due to the end semester examinations. Head of the Department English, Dr.M.V. Sulochana and P. Babu Ravichandra, Lec.in English motivated the students to strengthen action and co-operation in achieving a world free of drug abuse. Once we accustom for the bad habits then we become slaves of it. Other faculty also took part and said that drug consumption and its negative impact on the society. Together, let's break the chains of addiction and offer hopes those in need.

WORLD POPULATION DAY-11/7/2023

World Population Day is observed annually on July 11th globally. As a part of education we also observed it with great interest...Dept. of Economics conducted the programme. Principal, staff and students took part of it. Principal highlighted the importance of addressing global population issues. It emphasizes the need for access to education, healthcare, and empowerment of women. And also encourages individuals, communities, and policymakers to take action to achieve sustainable population growth. Guramma, Lec.in Economics also said, Population control is discussed widely on different levels at schools and colleges. Explained the theme of World Population Day 2023 is "**Unleashing the power of gender equality**". Uplifting the voices of women and girls to unlock our world's infinite possibilities"
