5.4 Alumni Engagement

5.4.1

There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

Response:

There is a register alumina association. It is giving moral support and the guidance to the institution. This association should be future strengthened and encouraged to mobilize resource for the development of the college.

Even prior to the establishment /registration of Alumni association, the Alumni of the college are playing a key role in the development of institution in all fronts. Alumni being one of the stake holders of the institution extended all the possible support for wellbeing and betterment of the students and the development of the institution. Some Alumni students even though they have no membership in the association they extend their services as resource persons in the all-round development of the college especially in admission campaign of the college.

We are planning to launch a flagship program of the college. Alumni Akshaya Patra- a free mid-day meal for the students in this academic year.

To organize and coordinate different activities of alumni association, College has formed Alumni Committee; where one faculty is appointed as Alumni in charge and faculty incharges from all departments as members. Every year annual alumni meet is organized. Alumni meet provides them the platform to share their past and present experiences as well as to recall their memories in the institute with their teachers, juniors and friends. Alumni pursuing higher studies in premier universities abroad, visit the college and share their knowledge on choosing universities, the process to be undertaken for this and guide the students

Contributions by Alumni: The Alumni are contributing to the college in the following manner
 Providing placement contacts for student's placement. Providing Feedback on setting vision, mission, PEOs and PSOs of the departments/ programs
 Providing Feedback on curriculum and teaching learning process
 Bridging the gap between industry and academia
 Providing suggestions about changing trends about business and industry
 Interacting and mentoring the juniors
