**Sub:** APCCE - Quality Assurance - NAAC - On Line Reviews by Peer Team members - Action Plan as per New Guidelines for handholding the GDCs due for Accreditation - Submitted.

\*\*\*

The APCCE – Quality Assurance Cell has been monitoring and handholding the GDCs for qualitative and quantitative assessment by NAAC in the Accreditation Process. So far, we could get 93 GDCs as accredited in the RAF procedure. But, NAAC after winding up the RAF model has announced the Binary Accreditation Framework (BAF). From now onwards, the Qualitative and Quantitative metrics of the Colleges will be accredited online by the Peer Teams. Even before the announcement of BAF Manual, NAAC issued instructions regarding the cancellation of Physical visits to colleges and in their place, On Line Reviews are being introduced and guidelines are issued in this regard. The online review will cover the detailed presentation of the metrics of the SSR, presentations by the Principal, IQAC Coordinator, teachers, students and the alumni.

As the following six colleges are due for 'Online' Peer Team Reviews, the following action plan is prepared for monitoring and handholding process.

1. GDC, Porumamilla
2. GDC, Srisailam
3. GDC, Jammalamadugu
4. GDC(W-A), Kakinada
5. GDC, (M), Srikalahasthi
6. GDC (M), Rayachoti.

The colleges will be created awareness about 'Online' reviews through a virtual meet with a special focus on the documents they should upload during the review and the synopsis of the inputs they need to explain with proofs online.

As per the following calendar, each college is guided for 'mock' presentation and reviewed as per the guidelines of the NAAC to equip the college teams with proper inputs to face the online review.

Date	College Name
9th and 10th April	GDC, Porumamilla
16th and 17th April	GDC, Srisailam
22nd and 23rd April	GDC, Jammalamadugu
29th and 30th April	GDC(W-A), Kakinada
5th and 6th May	GDC, M-Srikalahasthi
8th and 9th May	GDC, Rayachoti

Suggestions for improvement and constructive feedback will be provided for correction and up dation of inputs for presentation during the online Peer Team Review.

Hence the Principals and the IQAC Coordinators of the above colleges are instructed to be ready with the details and inputs as laid down by NAAC with good quality Video Cameras and uninterrupted power supply and seamless internet of high bandwidth. Based on the NAAC Calendar of Peer Team reviews there may be some changes in the implementation of the dates of the calendar given above. A WhatsApp group is created with the six colleges and instructions will be shared from time to time.

For any other information related to the reviews, Dr. T. John Kiran Babu may be contacted on mobile no. 9440382140.
