

ABOUT GOVERNMENT DEGREE COLLEGE, PORUMAMILLA

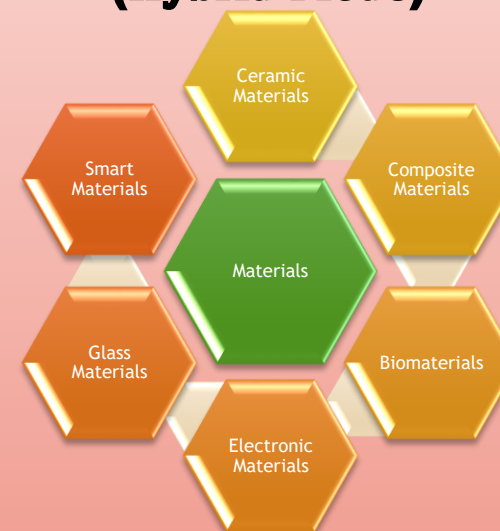

The College was established in the year 1981 in the premises of Govt. Junior College to impart higher education to these rural destitute students who deprived of Higher Education. It is a co education College and steadily grows both in strength and academic programs. At the time of establishment, B.A. (HEP); B.Com General were started under S.V. University Tirupati. In the academic year 1994-95 the science groups B.Sc (BZC&MPE) courses were started. The Govt. of Andhra Pradesh with a great foresight insisted on starting restructured course to rebuild the Govt. College with rejuvenated academic atmosphere, so we started B.Com Computer and B.Sc Computer Science (MPCS) in the Academic year 2008-2009. The Lecturers are striving hard in more pragmatic, competitive and creative way to augment the knowledge of the students.

ABOUT CONFERENCE

In an era defined by rapid advancements and global challenges, the Two Days National Conference on "Novel Materials for Sustainable Development" (NMSD-2024) emerged as a beacon of innovation and collaboration. Scheduled on March 15th and 16th of March 2024, this conference aims to explore, discuss, and propel the frontiers of sustainable development through the lens of groundbreaking materials science. The core objectives of NMSD-2024 are to explore emerging materials, environmental impacts, technological applications, and global collaboration. NMSD-2024 aims to ignite a spark that propels us towards a future where novel materials not only redefine technological landscapes but also contribute significantly to the global pursuit of sustainable development. The event serves as a dynamic platform for students, academicians, and researchers to exchange ideas, and share cutting-edge research. The conference organizers invite interested researchers and practitioners to submit their abstracts by March 5th, 2024, through the conference mail.
