Year of signing MoU	Name of the organization with whom MOU/Collaboration being signed	Duration	Purpose of MOU/Collaboration	List the actual activities under each MOU year-wise	Date of the activity conducted
06/01/2023	Dept. of Physics, SRNB Degree College, Badvel	3.5 yrs	Guest lecture/Workshops/Seminars for the student and faculty	Guest lecture (ICT Method)	29-09-2023

Brief Report on MoU Activities: Under the MoU between GDC Porumamilla and SRNB Degree College, Badvel, Dr. K. Venkata Rao, Head of the Department of Physics at GDC Porumamilla, was invited to deliver a lecture on power sources.

Event Details:

- **Date:** 29th September 2023
- **Speaker:** Dr. K. Venkata Rao, HOD, Department of Physics
- **Topic:** Power Sources
- **Method:** ICT (Information and Communication Technology) Method

Outcome of the activity: Dr. K. Venkata Rao delivered an engaging lecture on power sources using ICT methods. The lecture was well-received by the students, who actively participated and listened attentively.

Student Engagement:

- Students showed great interest and engagement throughout the session.
- They asked questions about power generation and its transfer, leading to an interactive and informative discussion.

- The session provided students with detailed information on power systems, enhancing their understanding of the topic.

This event highlights the fruitful collaboration under the MoU, contributing to the academic growth and knowledge enrichment of students at SRNB Degree College.
