

# DEPT OF TELUGU BEST PRACTICES

## **TALK THE BOOK**

We conduct a program called 'TALK THE BOOK' every Friday which introduces new authors, old classics and everything about how a good book can change one's life. By doing this program we inculcate a good book habit of reading books to the students.

## **MORAL SHORT STORY TELLING**

This too is a weekend program conducted on every Saturday. Here we tell students several short stories that have moral teachings and behavioural tendencies which in the future will be great to shape up one's life.
