On 30th December 2024, the Department of Physics at Govt. Degree College, Porumamilla, held a special commemoration ceremony to honour the death anniversary of Dr. Vikram Sarabhai, the esteemed ex-chairman of ISRO and the father of the Indian space programme. The event took place at 12:00 PM and witnessed enthusiastic participation from both students and faculty members.

The ceremony began with a brief introduction by P. V. S. Sobhan Babu lecturer of the Department, who highlighted Dr. Sarabhai's monumental contributions to the field of space science and technology. Following this, Principal Dr. T. Samuel David Raj delivered a speech about Dr. Vikram Sarabhai. Further a series of speeches were delivered by faculty members, and students each recounting Dr. Sarabhai's achievements and his visionary role in propelling India to the forefront of space exploration.

Students and faculty members of other departments also actively engaged in this ceremony. The event also featured an in-depth look into Dr. Sarabhai's illustrious career and his enduring impact on India's scientific community.

The commemoration concluded with a moment of silence, allowing everyone present to reflect on the invaluable contributions of Dr. Vikram Sarabhai to the nation's development. The event served as a poignant reminder of the power of vision, dedication, and innovation.
