

## BEST PRACTICE-2

Zoology department conducted a come, see and learn programme to Kasturiba Gandhi Balika Vidyalya intermediate students on 10<sup>th</sup> February 2022. They have visited Zoology department and Lab, the students were very much excited by seeing our museum spotters and slides. We also played virtual videos on subject. Nearly 30 students along with their staff attended the programme. Our final year students addressed the students about college, teaching skills of lecturers, labs and their experience in college.

**KGBV, Porumamilla 9<sup>th</sup> and 10<sup>th</sup> class students visited Zoology department and Lab, the students were very much excited by seeing our museum spotters and slides. We also played virtual videos on subject. Nearly 40 students along with their staff attended the programme.**
